

Share the love with the scientist in your life! Here's how these valentines work:

1. Print this sheet out;
2. Cut out the valentines;
3. Sign them and hand them out;
4. Let us know you used them! **Tweet us a picture @SciFri.**

science
FRIDAY

*Your love knocks
me down like a
sting from a
tarantula hawk.*

From:

science
FRIDAY

*I love you like a
naked mole rat
loves not
getting older.*
